It's a weekend of fun, food and fiber....what could be better in the middle of winter?

GO GREEN – If you haven't done so already, sign up to receive our newsletter by e-mail or you can visit our website and read the current newsletter at your convenience. You can also read our blog for more up to date information.

## New in Store

Fresco by Classic Elite – a wool, alpaca, angora blend that knits to 26 sts. A beautiful fine gauge yarn that works up wonderfully for colourwork with a soft hand from the alpaca and a light halo effect from the angora.

Meritwist by Punta Yarns – 100% hand dyed chunky merino. A rich array of colours that knits up lickety split on 6.5mm needles.

Mericash by Punta Yarns – 80% merino wool and 20% cashmere sportweight yarn. Can you say great yardage and cashmere in the same sentence? Yes, you can when you say Mericash.

Eco + Heathers – 100% Peruvian Highland wool in a chunky weight. Beautiful heathered shades and at 437m per 250gm hank you can knit up several lovely small projects with only 1 hank of this yarn.

## Yarns Coming Soon!!

Sweet Georgia's CashSilk Lace is 45% cashmere and 55% silk. This is delicate and soft with the luster of silk. A treat for the lace knitter

Tough Love Sock – also by Sweet Georgia. 80% superwash merino with 20% nylon. A stunning hand dyed sock yarn with excellent yardage at 425yds to 115gms.

Also for the aforementioned lace crowd is Noro's Sekku. Cotton, silk, wool and nylon blend in the always eye catching Noro colours. This yarn would knit up in a lighter weight sock or that lace project that needs an extra zing of colour.

Creative Focus Linen by Nashua – a cotton linen blend with a softer hand than other linen blends.

New for Spring by Debbie Bliss is Amalfi – Cotton, nylon, linen and silk blend in a DK weight

Cotton Supreme Batik – A striping cotton yarn in a DK to worsted weight with a softer feel than one would expect from 100% cotton.

## Classes and Workshops

Our classes and workshops brochure will be available on our website or you can pick up your copy in the store by early January. This season the techniques offered will include socks, felting, beaded knitting and the forever favourite finishing. How will you choose?
